Mr John Ecaterinaris,  
Polygyros,

Dear Sir:→

I should be obliged if you would act as the representative of The Anglo-Greek Magnesite Co Ltd, at Yerakini, until such time as I arrive to take over the property.

Your duties for the present, will be simply to see that none of the ~~plant~~ plant or stores, are removed from their respective places on the concessions, and to generally safeguard the interests of the Company, without unduly offending the present owners.

For your guidance, I enclose inventory of plant and stores made by Mr Carasso.

Your remuneration can be arranged when we meet. I expect to arrive at Yerakini before the end of the month.

Yours faithfully

*P. D. Harris*
