Mr John.D.Ecaterinaris

Polygyros.

Dear Sir:

I am in receipt of your favour of the 30/12 inst, and note that you are now on the lookout for a position. I am sorry that I have nothing to offer you at the present moment, but an occasion may shortly arise, when I shall communicate with you again. In the meantime I have filed your application in the general office for reference.

When in Athens the other day, I mentioned your name to Mr Wace, and he seemed pleased to hear from you. He informed me that he did not know when he would be able to return to Polygyros to continue his work there.

I am sending you a bundle of papers by this post, which I hope will reach you in due course.

Yours faithfully

ANGLO-GREEK MAGNESITE CO LTD
