

23th February 1907

Dear Mother

I have just received your letter
and I am glad to hear from
you. I am well and hope
these few lines will find you
the same. I have not much news
to write at present. I am
still in the hospital and
am getting on my feet.
I hope to be home soon.
I am thinking of writing to
you more often. I am
lovingly,
Your affectionate son,
John
