Dear Mother  
I received your letter of the 27th and was glad to hear from you. I am well and hope these few lines will find you the same. I have not much news to write at present. I am still in the hospital and the doctors are not sure yet how long I will be here. I have been here for some time now and I am getting used to it. I have some friends here and they are very kind to me. I have also some books that I have been reading. I have been reading a lot of books lately and I am enjoying them very much. I have also been thinking a lot about you and how much I love you. I hope you are all well and happy. I will write again soon. Love, Lynette
