My dear Sir

I have had the pleasure of receiving your letter of the 10th inst. in relation to the proposed purchase of the land for the proposed school. I am glad to hear that you are interested in the project and I am sure that the school will be a great benefit to the community. I have discussed the matter with the relevant authorities and we are working to expedite the process. I will get back to you as soon as possible regarding the details of the purchase and the construction of the school. Thank you for your interest and support.
